FOR IMMEDIATE RELEASE:

Milner, Inc. Launches Konica Minolta Business Solutions U.S.A. Product Line and Grows Company Offering

Raleigh, NC. – June 10, 2009 - Milner Inc., a leader in printing hardware, document workflow and imaging solutions, announces their **growth strategy** with new product offering of Konica Minolta products and services.

Milner, Inc., a leading provider of advanced imaging and networking technologies for all office and print shop environments, announced it's new partnership with Konica Minolta. Milner solutions, tailored to the customer environment, include: **Document Production, Document Management, and Managed Print Services**, are designed to increase productivity, and manage company costs. Whatever the document need, Milner has the right equipment, services and technology to perform every document task.

"We are excited to take on this new product line, with a focus on growing our business offerings, especially in the color and production space and gaining an even greater competitive edge in this region," said Dusty Milner, President and Owner of Milner. "Our experience in service and customer support, coupled with the strength of our award-winning hardware and software technology and the Konica Minolta brand will support this goal."

About Milner

Milner, Inc. is a leading provider of hardware and software solutions and is one of the Nation's largest HP and Ricoh/ Lanier resellers. Offering best of breed product solutions, Milner also provides document workflow and imaging solutions for Enterprise Content Management (ECM) and business process automation. A 60 million dollar company, Milner has 8 locations throughout the Southeast and is the only hardware reseller in the office automation industry that owns its own software company, Comsquared Systems.
