MILNER DOCUMENT PRODUCTS ANNOUNCES GROWTH STRATEGY AT FIVE YEAR ANNIVERSARY IN THE TRIANGLE

Raleigh, NC – December 17, 2008, Milner Document Products Inc, a leader in printing hardware, document workflow and imaging solutions, announces their growth strategy at five year anniversary celebration.

At a recent five year anniversary celebration, Milner Document Products announced its plans to grow and expand, regardless of the downturn in the economy. In addition to renovations to the company's state of the art facility in Morrisville, NC, Milner is also hiring and expanding its sales and marketing personnel.

Exactly five years ago, Milner purchased Cavins Inc., a family owned, Raleigh based business. Cavins' began in Raleigh in the early 1950s providing audio visual products, data storage and office equipment to a wide range of customers throughout North Carolina. Continuing the tradition, Milner, also a family owned business with over 60 years of experience, continues to provide innovative document production and management solutions to single and multi-user markets in the Triangle. The Raleigh regional offices functions as a local entity, maximizing local resources and strengths to provide superior customer service.

"We are making significant investments in our Milner Raleigh business as we believe our organization helps other businesses be competitive, even in a down economy," states Dusty Milner, Owner and President of Milner, Inc. "In addition to our tenured employees, we are continuing to hire quality staff as well as expand our product offerings. This allows us to provide the best solutions and service to our customers. Here at our five year anniversary, we look forward to future in the Raleigh and Triangle market."

Today, companies turn to Milner for expert advice and document handling solutions that work. Our solutions, tailored to your environment, include: **Document Production, Document Management, and Managed Print Services**, all designed to increase productivity, manage your cost, and keep you ahead of the competition. Milner has the right machines and technology to perform every document task – and every combination of them.
