

MILNER

OPEN HOUSE & TECHNOLOGY SHOWCASE

August 25, 2:30 pm -

Join us on Wednesday, August 25th for the Grand Opening of Milner's Production Print Facility featuring Konica Minolta High Volume and color and monochrome devices. Milner is also pleased to offer a new service that allows customers to work on high volume print jobs in-house. Ask your sales rep. for more details on this new service. We will also be featuring products from Ricoh, Samsung, Lexmark and Oki.

Please drop in anytime after 2:30 to learn about the latest trends and technologies in Document Management, Digital and Color Printing, Cost Recovery and much more. If you've been wondering what's new in technology or if you need a solution that can help you **SAVE MONEY, TIME** or **ACHIEVE REGULATORY – BUSINESS OBJECTIVES**, then this is the show for you!

2:30 – Demonstrations of our products and solutions throughout the afternoon

5:00 – BBQ Cookout

Solutions showcased:
