

Self-Assessment

Is Your Dealership Ready to Implement Document Management?

For dealerships, keeping up with the mountains of paperwork associated with every deal, every service procedure, and every part or supply ordered can become cumbersome. Finding ways to gain better control of these documents can improve business in your dealership for the long run.

Take the first step in automating your dealership's mountain of paperwork by taking this 1-minute self-assessment.

	Yes	No	Not Sure
Are your documents fully digitized, securely stored and easily accessible?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Do you have a digital workflow system where nothing gets lost and info is shared seamlessly between departments?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Can you automate every step of the repair order process and the capture/retention of deal jackets?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Do you have a system to search by customer name, VIN number or any other value to instantly access a complete collection of related documentation?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Do you have any protocols to ensure customer privacy and avoid fees in an easy manner?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Could your dealership benefit from repurposing storage areas into spacious customer waiting areas or additional showroom floor space?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
